REMARKS

Applicant thanks the Examiner for the thorough consideration given the present application and for the indication that claims 8 and 10-18 contain allowable subject matter.

The title is amended to conform to the Declaration. Claim 1 is amended to include the allowable subject matter of claim 8, which is cancelled without prejudice or disclaimer. Claims 4, 5, and 7 are amended for consistent punctuation. Claims 6 and 9 are amended to indicate the replacement pictures are interleaved pictures comprising BOTTOM and TOP fields, thereby obviating the objection to claims 6, 9, and 10 as containing informalities. Allowable claims 10, 12, and 14 are rewritten in independent form. Minor changes are made to claims 15-18 for clarity.

Since the pending claims include subject matter deemed allowable by the Examiner or depend from a claim including such subject matter, prompt allowance is in order.

Pursuant to 37 C.F.R. §1.136(a), Applicants hereby request a three-month extension of time in which to respond to the outstanding Office Action and hereby authorize the Commissioner to charge any required fees not otherwise paid, including
